

ESCAPEES[®]
MICHELIN[®]
ADVANTAGE[™]
PROGRAM

How It Works

- Determine your tire size. Find your savings with the [price finder tool](#).
- Find a dealer with the dealer locator. Call to check availability and schedule an appointment.
- Register your credit card with Michelin for tire purchasing before your appointment.
- Go to your appointment and get new tires!

Follow these instructions to locate a Michelin RV tire dealer and claim your ESCAPEES RV CLUB member tire discount.

Get Started

1. Determine the tire size and tread design that you require. Use the [price finder tool](#) on the Escapees member site to find your Escapees savings.
2. Find your nearest Michelin tire dealer that participates in the Michelin Advantage Program at business.michelinman.com by entering your zip/postal code in the dealer locator. The dealers will be listed in the order closest to your location. Select the dealer that best suits your tire needs.
 - a. Please note that car, SUV, and light truck tires may have to be purchased through a commercial dealer. *Confirm with the dealer that they participate in the Michelin Advantage Program or process national account DR claims.*

Call the Dealer

3. Call the dealer and check for availability of the specific size and tread design that you require. All tire sizes may not be included in the discount program, please check the price finder tool first.
4. Tell the dealer you will be purchasing your tires through Escapees RV Club's Michelin Advantage Account.
 - a. The Escapees RV Club Michelin Advantage Program Account number is 1531299. You will need to provide this number to your Michelin dealer now or at time of purchase.
 - b. NOTE: Your Escapees RV Club Member Number (SKP number) MUST be used as the purchase order number (PO number) when purchasing tires under this Program. You can find your SKP number on your [member dashboard](#).

The PO number must be a total of 6 numeric digits. If your SKP member number is 5 digits or less, please begin the PO number with a leading 0. For example, if your SKP number is 12345, you would list 012345.

5. You can ask the dealer for an estimate on the service you will need including mounting.
 - a. Any fees for mounting, balancing, state and local taxes and tire disposal are extra to the tire price and quoted locally by the servicing dealer.
 - b. The dealer may give you the list price for tires. Your discounted price will be reflected in the actual charge from Michelin.
 6. Schedule an appointment with the dealer and review your order to ensure accuracy. Example: 8-Michelin 295/80R22.5 XZA2 Energy Load Range J (18Ply).
 - a. Review the service that is needed. Example: Balance New Valve Stems.

Register Your Card

7. Register your credit card in Michelin's System for your purchase prior to your appointment.
 - a. As you will be purchasing the tires directly from Michelin, through a Michelin Dealer, you will need to pre-register the credit card you wish to use for the purchase with Michelin. At the time of purchase the dealer will only ask for the name on the card, the first digit, last four digits and the expiration date. This protects your full credit card information and makes sure only your purchase is linked to your card.
 - b. To pre-register your credit card, call Michelin Customer Service at 1-888-532-6435 Monday - Friday between 8:30 a.m. - 5:00 p.m. and select option 1 to register your credit card. After hours, you can call Michelin at 1-800-847-9855.

Let them know you are registering a card for one-time use with an association - Escapees RV Club account 1531299.

Your card will remain on file for 30 days and will only be set-up for one-time use. If you make additional purchases, you will need to call and pre-register your card again in the future. Michelin only accepts Visa, MasterCard, or American Express.

At the Dealer

8. Once you have arrived at the dealer for service, walk around the coach with the service writer or salesperson. Note any existing damage to the coach and/or wheels. This protects everyone.
 9. After the work is finished, you will need to provide the dealer with your credit card information to complete the transaction. You will only provide the dealer with the name on the card, first digit, last four digits and expiration date of the card that you pre-registered with Michelin.

You can choose to run all service charges through your credit card with Michelin. Conversely, you can opt to pay for your service directly with the dealer by credit card, cash, or check if accepted.

Final Details

10. The transaction is now complete! You will see your charge on your credit card statement after it has been processed.

If you would like a receipt (invoice), please call Michelin Customer Service at 1-888-532-6435

after you see the charge and select option 2. They will need the last four digits of the credit card used and the name on the card. Other information they may ask for is the Escapees RV Club Michelin Advantage Program Account number (1531299), date of service, and the servicing dealer name.

*By providing the PO/SKP number you are providing consent for Escapees RV Club to share member contact information with Michelin should there be an issue.
