

THE PETERSON SPIRIT AWARD

Do you know an Escapees member that goes above and beyond?

Use the form below to nominate them for The Peterson Spirit Award. You will need their name and member number (also referred to as SKP #), plus your name, your contact information, a description of the action or behavior for which you are nominating them and an explanation of why you feel this action is worthy of the award. Recipients will be selected from the submitted nominations on a monthly basis by the Escapees RV Club's Board of Directors.

Recipients will be recognized in *Escapees* magazine, in our email newsletter, and with a plaque to be displayed at the Club's headquarters. They will also receive a special badge, a commemorative coin and other prizes.

Nomination process: Any Escapees member in good standing may nominate another member or group of members (10 individuals or less) for this award. Members may not nominate themselves. The nominated action must have occurred within the past year. Nominations must be made by submitting the following information: the name, SKP number and contact information of the submitter, the name(s) of the nominee(s), email or phone for the nominee (if known), a description of the nominee's specific actions and why these actions should be considered for the award. The identity of the nominator will be kept anonymous unless stated otherwise.

Award recipients are selected based on:

- The action and the number of nominations received for a given nominee
- The nature of the member's or members' action(s) and the degree to which they exemplify the Club's values
- The level of detail in which each nomination describes the nominee's actions and the reasons the nominee should be considered for the award
- Whether each nominee has been recognized previously
- Whether the actions were outside the scope of job duties (if considering nominations for staff and/or appointed volunteers)
